MATTHEW 1:1

THIS IS THE GENEALOGY OF JESUS THE MESSIAH THE SON OF DAVID, THE SON OF ABRAMAM

The bible is more than we could ever know and so much more than we could ever imagine. The story of the bible isn't just broken up into two parts of stuff we can't relate to and stuff we can relate to... it is a grand narrative of how the God of the universe loves us so much that he made a way for us to spend eternity with him.

From the Garden of Eden until the very end of the bible where glimpses of the glory of heaven are revealed, we can see God working out his purpose for the world through His son, Jesus. But this is where the story is so much more than just an ancient tale.

God has included us in his story as he continues to write it all the way up until Jesus comes again. You and your story are a part of God's big story and that is something to really get excited about.

This series is more than just a story - it is a story that is being written by a God who is still bringing people back to be a part of his family. So as we look back on the story from the start to the finish, remember that if you trust in Jesus - this is your story too. What a privilege it is that God wants us to share in heaven forever with him!

The beginning of Bible shows the true character of God. What are some of the false stories that we hear or believe about the character of God from the world around us?

What aspects of God's character do you sometimes believe are false?

Through Jesus, our stories change. Through Jesus, we see the true character of God. What are the true stories about God and his character that you need to believe?

What is one thing you are going to do, to change your belief in the false stories we are told, into the true story of God, the world and us?

Spend time together praying for each other about these false stories we believe and help us to believe the new victorious story we have in Jesus.
