Follower of Jesus?

Yes No

Baptised before?

Yes No

If yes, where?

Connect Course Completed?

Yes No When

Growth Group

Yes No Leader

Person to pray

Gift

What happens on the day

1. Arrive at least 30 minutes before the service and meet the team who will talk you through what to expect in the service & if baptising your child the following steps will be adjusted accordingly.
2. At the appropriate time in the service the pastor will address the congregation about baptism. You and your growth Group will then be asked up on stage. This reflects the church community that you are being baptised into.
3. Your Growth Group Leader will ask you some questions. (Those discussed at your baptism interview beforehand.) The pastor will ask you to kneel and then baptise you with water in the name of the Father, Son and Holy Spirit. This will involve a jug of water being poured over your head (or if a child, just a sprinkle!) You'll need to bring two towels to kneel on and put over your shoulders (or to wipe your child's head afterwards).
4. Your Growth Group Leader will then pray for you as you kneel (or while the pastor holds your child). You will then be asked to stand (with your child if child baptism) and are received by the congregation with joy!

After the Baptism

Given Certificate, Gift and keep coming to church
