KEY THOUGHT FOR THIS WEEK

MY PRAYER POINT

PRAYER POINTS

- # Praise God that He made a way for us to be perfect before him through Jesus.
- # Confess that we often think that symbols or status can make us a Christian disregarding what Jesus did on the Cross.
- # Ask for God's grace that we might better understand who Jesus is and so better understand who we are.
- # Give thanks that Jesus gave up his heavenly position to come and live on Earth to show us an example of how we are to live. Give thanks that he went to the Cross to save us from our sin and separation with God.
